# Your Authority Roadmap

## **Plan:**

What topical authority is available in your firm?

Are those topics aligned with the firm's goals?

Who are the appropriate authorities for each topic?

## **Build:**

What are the channels you will use?

What are the content formats you will use?

## **Implement:**

Create the 12-month plan

Decide on goals and KPIs

Set milestones for review and optimization

Prepare for any risks so their impact is minimal
